

Technical drawing of a door cross-section. The drawing shows a door frame with a door panel. Two vertical dimensions are indicated on the left side of the door panel: 80* (total height) and 67* (height of the main panel). The door panel is shown in a closed position, with a small gap visible between the panel and the frame.

 $A(1:2)$ 

A technical line drawing of a window frame, shown in a perspective view. The frame is rectangular and appears to be made of a material with a textured or ribbed surface. It features a double-pane design with a central vertical mullion. The drawing is oriented vertically, with the top of the frame at the top of the page.
